WELCOME MESSAGE

Message from the Minister for Tourism and Sport, The Hon. Michael Healy MP

It is my pleasure to welcome you to the Gold Coast Running Festival which highlights the personality and uniqueness of the Gold Coast.

Gold Coast Running Festival is supported by the Queensland Government through Round 25 of Tourism and Events Queensland's Destination Events Program, which strives to highlight the vital link between the wonderful events we host in our great state and the diverse destinations in which they take place.

Events such as the Gold Coast Running Festival foster community pride, impart local culture with all who visit and make meaningful contributions to the local economy.

Beyond the Gold Coast Running Festival, there is so much to see, do and experience on the Gold Coast. I encourage all visitors from far and wide to soak in all the delights of the Gold Coast region and make the most of all the experiences unique to this special part of Queensland.

Congratulations to the organisers plus all those involved in working tirelessly to stage such a great event and for being part of the Queensland Destination Events Program.

GENERAL INFO

RACE PACKET COLLECTION

If you did not elect to have your race packet and visor posted, you will be able to collect your race packet in race week. Please view the full timetable above for more information.

BAG STORAGE

There will be a **contactless** secure bag storage area made available to competitors. Participants will receive a numbered bag tag on your race bib which must be fixed to your bag before dropping it off. We also advise that though we provide this service for your convenience, you leave your belongings at your own risk. The event takes no responsibility for any items.

FINISHERS MEDALS

On race day, every competitor will receive a Gold Coast Running Festival finisher's medal as you cross the finish line.

AID STATIONS & TOILETS

Drink Stations will be contactless - self serve from the table. To assist us with hygiene we also ask that you empty your cup and place it in one of the rubbish bins after the station, we want as few cups to collect from the road as possible.

There will be two aid stations on the course which participants in the 10km, 1/2 and 3/4 Marathon events will have access to every 2.5km. Participants in the 5km event will have access to one aid station at the 2.5km mark of the event.

Toilets are available inside Cbus Super Stadium as well as portaloos at the second drink station for the 10km, 1/2 and 3/4 Marathon events.

There will be one on-course portaloos also available at the near turn for use during the 1/2 and 3/4 Marathon only.
