

PUBLIC NOTICE STADIUM DRIVE

Dear Resident,

The Event Crew Pty Ltd in conjunction with our major sponsor von Bibra Mitsubishi, and with the support of the City of Gold Coast and Queensland Police, will stage our annual family focused fun run on **Sunday 26th April 2026**; the von Bibra Mitsubishi Gold Coast Running Festival.

Between the hours of 4:30am and 10:30am, Stadium Drive will be closed for the Running Festival.

We will have traffic control on Stadium Drive managing access in and out via the South bound lane of Stadium Drive and utilising Promethean Way heading out past the Train Station.

Please note that we have event starts at 6:00AM, 6:05AM, 6:25AM, 7:40AM, 8:45AM and 9:25AM. During the 5 minutes after these times there will be no access in or out of Stadium Drive as runners will be heading out to Cheltenham Drive on the South bound lane of Stadium Drive. **Please avoid these times where possible.** Outside these times delays will be short - mostly to get you out past the Bond Uni building onto Promethean Way.

Between the hours of 4:30am and 10:30am there will also be closures to the East bound lanes of Cheltenham Drive (from Stadium Drive to Robina Parkway) and North bound lanes of Robina Parkway (from Cheltenham Drive to Gooding Drive). Please take these closures into consideration when planning your route for the day.

Based on resident feedback last year, from 8.30am all non-residents heading westbound on Cheltenham Drive will be diverted into Robina Town Centre Drive which will help alleviate congestion and improve traffic flow as the event concludes.

For more information about the event, please visit http://bit.ly/GCRF_Info

The Event Crew and the City of Gold Coast have been working closely with Queensland Police to ensure the event is conducted responsibly and with as little disruption to the local community as possible. We apologise for any inconvenience caused.

If you have any queries in regards to street access and restrictions, please contact The Event Crew, on **(07) 5568 0443**.

Kind regards,

The Event Crew Pty Ltd
