GOLD COAST PERFORMANCE CENTRE

21 FEBRUARY 2027

WELCOME MESSAGE

Triathlon Pink was founded in 2007 with just two events in Sydney and Melbourne, marking a fantastic new initiative for the Australian sporting community, exclusively for women.

The events offer participants, affectionately known as 'Pinkies,' a challenging yet fun and safe experience. **Triathlon Pink** aims to encourage women to participate, have fun with friends and family, and create lasting memories. The goals of Tri Pink include **CHALLENGE, PARTICIPATION, and FUN!** Pinkies can compete individually, completing the entire course on their own, or join a group of friends to compete as a team, similar to a relay.

Since its inception, over 95,000 women have crossed the finish line, making Tri Pink one of the most popular sporting events for women in Australia. Looking ahead to the 2026/2027 season, we anticipate welcoming over 6,000 participants, bringing the total to over 101,000 women who have experienced the Pinkie spirit!

A key aspect of Triathlon Pink is its close relationship with the National Breast Cancer Foundation (NBCF). Pinkies have successfully raised over \$2.8 million for NBCF. Triathlon Pink received the NBCF Patrons Award for Community Fundraising in 2010 and the NBCF Community Involvement Award in 2015. This cause is deeply meaningful to many participants, who have either battled breast cancer themselves or supported loved ones through their journey.

We look forward to sharing the events with you!

Care that goes the distance

As a proud sponsor of Triathlon Pink, Ramsay Health Care stands with every woman – athlete, survivor, supporter.

Whether you're racing or cheering from the sidelines, you're part of a movement that saves lives.

HOW DOES THE EVENT WORK?

EVENT SET UP

After collecting your race pack, put all the provided on your bike and helmet and head in to transition to set up your gear.

TRANSITION INFO

Transition is where you place your bike and change over between the swim / bike / run.

Setup in Transition: find the bike rack allocated for your category, put your bike on the rack and set up your gear to the right (chain side) of your bike. Remove any non-race equipment including bags (there is a bag storage area at event check in).

Transition Access: Only competitors are allowed in transition (one parent per child for kids events during set up and pack down, no access during the event).

Bike Collection: Bike collection is available throughout the morning, please listen for announcements for access times.

SWIM

- Enter the pool one at a time and swim around the buoys in a zig-zag fashion.
- Your timing chip is activated as you cross the timing mat upon pool entry.
- If you want to stay with friends, just line up with each other as you get into the pool.
- If you are a slow swimmer, we suggest you start at the back of the line.
- For assistance during the swim leg, raise your hand and call for a lifeguard.
- If you need a rest, simply hold onto the edge at the end of the pool.
- You can swim with a pool noodle for added buoyancy if you wish.

BIKE

- After your swim, head to transition and put on your helmet.
- Take your bike off the rack and walk it to the mount line. **Please don't ride your bike in transition or on the way to the mount line.**
- Once you pass the mount line, get on your bike and ride your allocated number of laps.
- Always ride single file and keep to the left at all times unless overtaking.
- Make sure your helmet is secure.

RUN

- After your bike leg, get off your bike and **walk** your bike back to transition.
- Rack your bike then remove your helmet and get ready for the run.
- When ready, head towards the run start in transition to begin your run.
- Complete your allocated laps then head down the finish line on your final lap.

ABOUT THE NATIONAL BREAST CANCER FOUNDATION

The National Breast Cancer Foundation (NBCF) is Australia's leading not-for-profit organisation funding world-class breast cancer research towards our vision of Zero Deaths from breast cancer.

Since our inception in 1994, NBCF has invested around \$200M into more than 600 world-class research projects across Australia. For more information, visit www.nbcf.org.au

WHAT SHOULD YOU WEAR?

One of the most frequently asked questions we get! Basically, anything goes when it comes to Triathlon Pink - just wear whatever you are most comfortable in and what gives you the most confidence on event day.

Most ladies wear a swimsuit in the pool (often with some kind of supportive bra or additional top underneath) and then add additional clothing such as pants and singlets when they get to their bike.
