8 NOVEMBER 2026

WA ATHLETICS STADIUM

WELCOME MESSAGE

Triathlon Pink was founded in 2007 with just two events in Sydney and Melbourne, marking a fantastic new initiative for the Australian sporting community, exclusively for women.

The events offer participants, affectionately known as 'Pinkies,' a challenging yet fun and safe experience. **Triathlon Pink** aims to encourage women to participate, have fun with friends and family, and create lasting memories. The goals of Tri Pink include **CHALLENGE, PARTICIPATION, and FUN!** Pinkies can compete individually, completing the entire course on their own, or join a group of friends to compete as a team, similar to a relay.

Since its inception, over 95,000 women have crossed the finish line, making Tri Pink one of the most popular sporting events for women in Australia. Looking ahead to the 2026/2027 season, we anticipate welcoming over 6,000 participants, bringing the total to over 101,000 women who have experienced the Pinkie spirit!

A key aspect of Triathlon Pink is its close relationship with the National Breast Cancer Foundation (NBCF). Pinkies have successfully raised over \$2.8 million for NBCF. Triathlon Pink received the NBCF Patrons Award for Community Fundraising in 2010 and the NBCF Community Involvement Award in 2015. This cause is deeply meaningful to many participants, who have either battled breast cancer themselves or supported loved ones through their journey.

We look forward to sharing the events with you!

Care that goes the distance

As a proud sponsor of Triathlon Pink, Ramsay Health Care stands with every woman – athlete, survivor, supporter.

Whether you're racing or cheering from the sidelines, you're part of a movement that saves lives.

WHAT SHOULD YOU WEAR?

One of the most frequently asked questions we get! Basically, anything goes when it comes to Triathlon Pink - just wear whatever you are most comfortable in and what gives you the most confidence on event day.

Most ladies wear a swimsuit in the pool (often with some kind of supportive bra or additional top underneath) and then add additional clothing such as pants and singlets when they get to their bike.
