

ROUND 5

10 JANUARY 2027

ROBINA PARKWAY, ROBINA

WELCOME MESSAGE

Thank you for signing up to take part in the Pho3nix Queensland Triathlon and the Pho3nix Kids Triathlon Series.

As a passionate advocate for triathlon for over 30 years, I know it is vitally important to give our kids and community opportunities to get involved in an active lifestyle. The Pho3nix Foundation is a sport not-for-profit established by Polish businessman Sebastian Kulczyk to assist and inspire children to engage in sport so they can live healthy and full lives.

More than half a million children have now participated in a Pho3nix Kids program across nine nations on three continents since its inception, supporting the Pho3nix Foundation's goals to bring sport to kids all over the world.

Programmes in Switzerland, Spain and the UK are headed up by dual Olympic medallist Nicola Spirig, dual Olympic champion Alistair Brownlee through the Brownlee Foundation, and 7-time world champion Javier Gomez. We are proud to continue partnering with The Event Crew to help get Aussie kids outdoors and active – and there's no better way than to swim, bike and run with their friends.

Check out all we do @pho3nixfoundation and visit the [Pho3nix Foundation](https://pho3nixfoundation.org) website for more information and to donate.

Welcome to the Pho3nix movement.

Chris McCormack

4x triathlon world champion, Pho3nix Foundation board member

RELAY TEAM INFORMATION

EVENT CHECK IN

Only one team member needs to attend Check-In, but we recommend the whole team come along if you can.

Whichever team member checks in first will receive the race kit and athlete gifts for the entire team. That person is then responsible for passing on race kits to their teammates.

TRANSITION

Changeovers between team members happen at your bike racking space, where you'll hand over the timing chip. Think of your timing chip as your relay baton - it's what keeps your team moving through the race.

During the event, team members enter through the Teams Entry and wait at their bike racking space if it is safe to do so.

Changeovers are self-managed, so it's up to each relay team to keep track of timing and be at the meeting point when needed.

A few important rules to keep in mind:

- Swimmers must keep their timing band on until they've reached the transition area - don't remove it early.
- Cyclists must stay at their racked bike in transition and wait for the swimmer to tag them. Once tagged, secure the timing chip around your left ankle before heading out. When you return to transition, rack your bike first, then hand off the timing band to your runner.
- Runners should wait at the cyclist's bike racking position, and once you receive the timing band, secure it to your own ankle before heading out on the run leg

FINISH LINE & RECOVERY

Team members are welcome to all cross the finish line together. Recovery behind the finish line is also available to all team members.
